

JUNE 10

VETERAN/EMPLOYER

NETWORKING EVENT

SPONSORED BY: Herman Miller

HOSTED BY: Amerikam, Blue Cross Blue Shield, Goodwill Industries of Greater Grand Rapids, Rockford Construction, TALENT 2025

About Event

Employers will have an opportunity to gain a better understanding of transitioning military members – what experiences they've had, what kinds of jobs they've had in the past and what skillsets they have for future jobs in the civilian workplace.

Veterans will have a chance to pick employers' brains on what they're looking for in new hires and what kind of civilian jobs might be a good match for what they're interested in. This is a closed event to keep the group small and to make some solid meaningful connections.
